SonicWALL Rack Mount Kit for NSA and TZ Series Appliances

## For TZ 215 / NSA 220 Series Appliances

**NOTE:** This Rack Mount Kit is also compatible with SonicWALL TZ 210 Series appliances.

## For NSA 250M Series Appliances

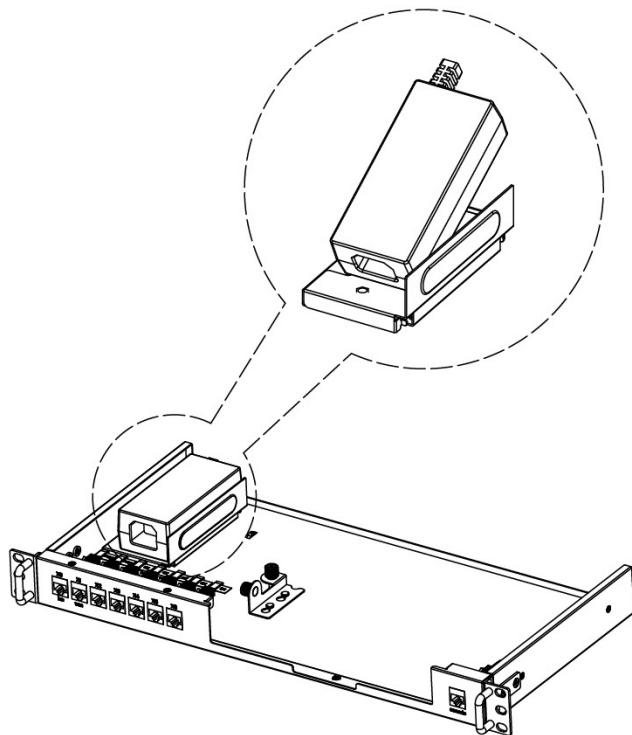

**NOTE:** This Rack Mount Kit is also compatible with SonicWALL NSA 240 Series appliances.

# Installation Guide

## Step 1 – Insert Adapter Tray

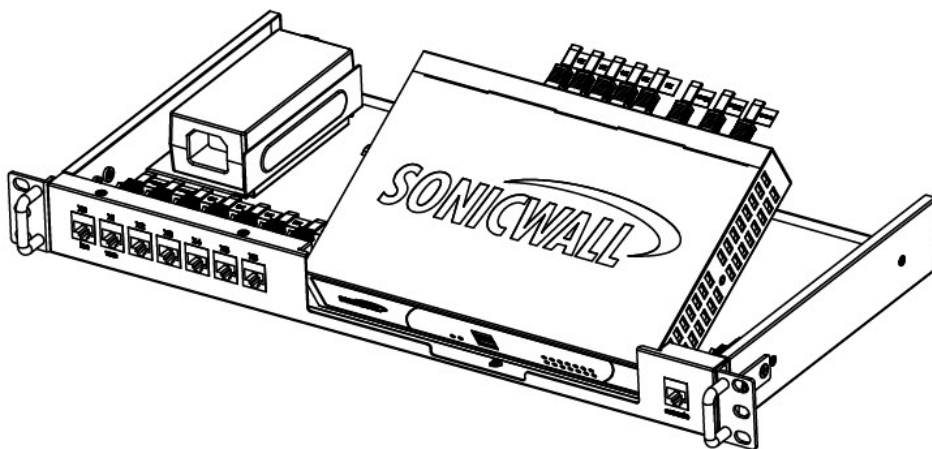

---

## Step 2 – Insert the Appliance

---

1. Align the front panel of the appliance and press the unit down until flush with the bottom of the tray.
2. Slide the appliance to the left until it is flush against the screw mounting hardware.

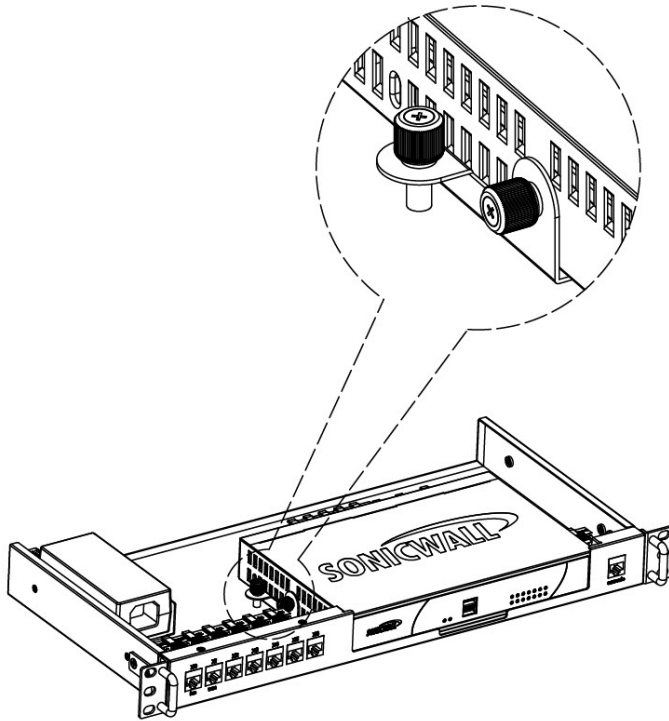

# Installation Guide

## Step 3 – Fasten Screws

---

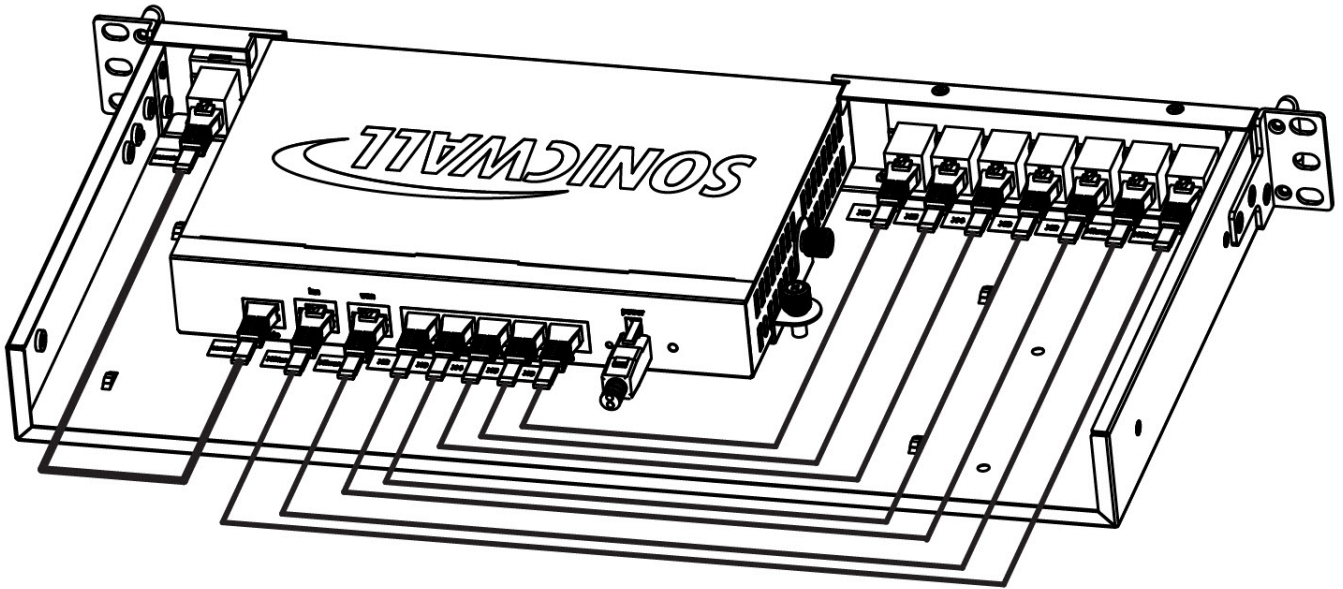

Tighten the mounting screws until firm.

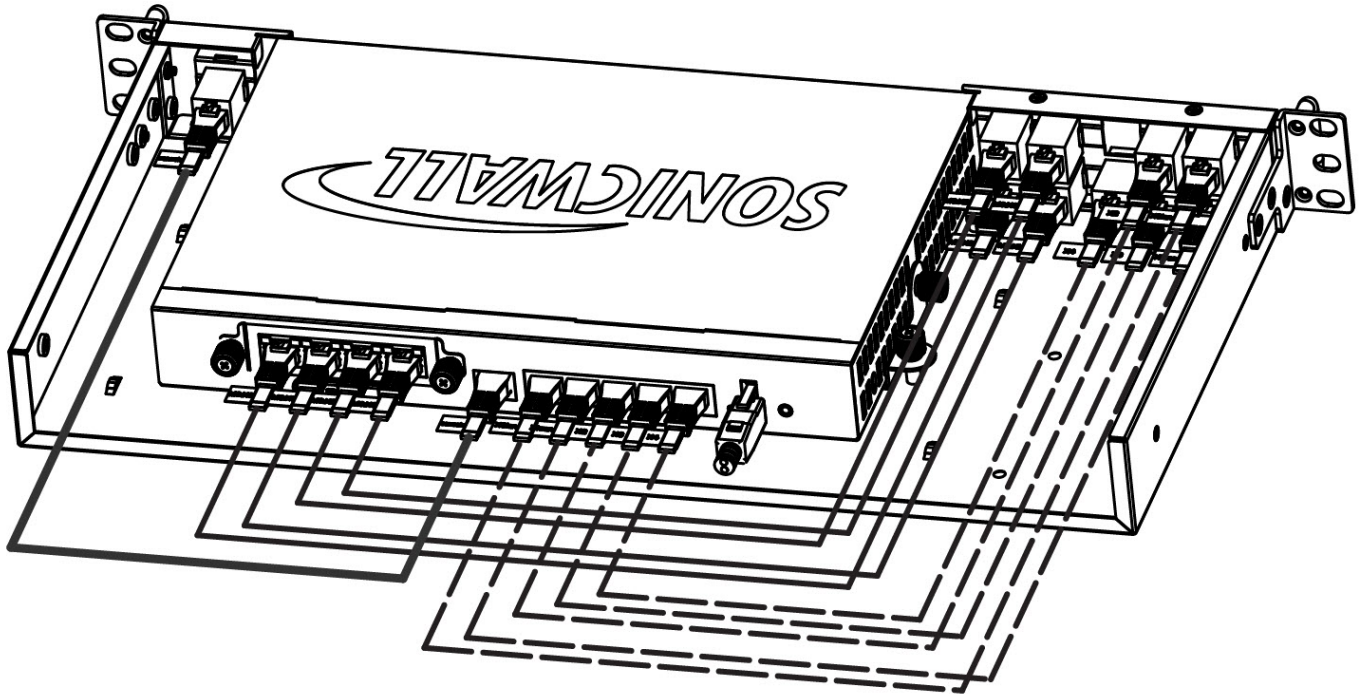

# Installation Guide

## Step 4 – Connect the Cables

For TZ 215 / NSA 220 Appliance

For NSA 250M Appliance

**NOTE:** If using the Rack Mount Kit with the NSA 240 appliance, place the included port label sticker over the silkscreened port labels M0:X0 through M0:X3 on the kit front panel. This label converts the port labels to X5 through X8.
